**PRELIMINARY**

This contract governs the general and the particular conditions of Visa International Assistance program issued by Dubai National Insurance Company.

**PART 1. DEFINITION**

**Pre-Existing Condition** means any medical condition in respect of which the User has a chronic pathology which developed over the time without being hospitalized or even diagnosed or any medical condition that has been diagnosed or treated by a medical practitioner including prescribed drugs prior to the first day the user is included in the program.

**Serious Medical Condition** means a condition, which in the opinion of the servicing company constitutes a serious medical emergency requiring urgent remedial treatment to avoid death or serious impairment to the User's immediate or long-term health prospects. The seriousness of the medical condition will be judged within the context of the User's geographical location, the nature of the medical emergency and the local availability of appropriate medical care or facilities.

**Insurance Company** means Dubai National Insurance Company.

**Servicing Company** means April Assistance

**Services** means the medical and travel assistance to be provided by the servicing company.

**Usual Country of Residence** means Country of the User permanent home address, as stated in the policy.

**User** means an individual who is covered under an insurance\_policy issued by Dubai National Insurance Company.

**Common Carrier:** Refers to different means of public transportation methods used such as: plane, train, taxi, bus.

**Sum Insured:** means the maximum aggregate payable for each insured under each section of this insurance as

specified in the Table of Benefits.

**PART 2. GEOGRAPHICAL SCOPE OF SERVICES**

The geographical scope of services and coverage is limited only to outside the Usual Country of Residence; all treatments for a covered case are not covered in the user's Usual Country of Residence. After the policy expires, all follow up treatments and investigations related to a covered case, are not covered during the user's stay outside or inside his Usual Country of Residence.

The Services provided by the servicing company under this Agreement are rendered worldwide. The servicing company shall use its best endeavors to provide the Services but any help and intervention depends upon, and is subject to local availability and has to remain within the scope of national and international law and regulations and intervention depends on the servicing company obtaining the necessary authorizations issued by the various authorities concerned.

The servicing company shall not be required to provide Services to the User/s, who in the sole opinion of the servicing company is located in areas which represent war risks, political or other conditions such as to make such Services impossible or reasonably impracticable.

**PART 3. SCOPE OF SERVICES**

- The servicing company shall make available operation coordinators answering in different languages for the Users by telephone at its fully-manned **non free call alarm centre** in France 24 hours a day, 7 days a week.

- When the servicing company has the information immediately available, the servicing company shall provide the Services, as appropriate, to the User while the User is on the telephone. In all other cases, the servicing company will provide the information to the User by the quickest possible means.
- The servicing company shall, subject to the terms and

conditions as defined hereunder, provide the following Services to a User calling the servicing company:

**A- Medical Expenses**

- Medical expenses incurred during hospitalization**

Medical expenses incurred during hospitalization In the event of sudden illness or injury of the adherent occurring outside the usual country of residence, insured has to call the assistance party prior to his admission. The Servicing Company will guarantee the direct payment of the medical expenses incurred during hospitalization, up to the maximum limit stated in the schedule of benefits for the treatment of an injury or sickness sustained by the insured while his policy is in effect considering that cases are:

- not due to any preexisting condition,
- within the scope of policy particular and general condition,
- not excluded as per policy particular and general exclusions,
- as per the usual reasonable and customary charges,
- Covered under Regular/ Standard Admission Class.

**a) Inpatient care:** The Treatment of covered medical conditions that cannot be treated on an ambulatory basis, as defined hereinafter, and requires an uninterrupted hospital confinement initiated during the policy period.

**b) Emergency care:** An Emergency is a treatment which may not be delayed due to sudden covered sickness or accident and which requires confinement to a hospital emergency room considering the admission is not due to any preexisting condition.

**c) Deductible** (applicable for Emergency and Inpatient Care): Deductible means the first amount of each claim, for each separate accident, payable by the insured. Excess/Deductible amounts are shown in the Table of Benefits.

Age bracket	Cov-Silver/Gold	Cov- Platinum
0 - 60 years	Nil	\$300
61 - 70 years	\$300	\$450
71 - 80 years	\$3,000	\$4,000
81- 85 years	\$4,000	\$6,000

• **Medical expenses due to Covid-19**

This policy will cover the user for reasonable usual and customary (UCR) medical costs and expenses under Regular/ Standard Admission Class which may be incurred consequent to the user's becoming infected with COVID-19 disease, while this policy is in force, but only in respect of In-hospital confinement provided that:

- For the purpose of this clause, COVID-19 disease shall be defined as a general and widespread sudden outbreak of an acute and severe infectious disease caused by Corona Virus as per the World Health Organization.
- Usual, reasonable and customary (UCR) is defined as treatment consistent with generally accepted standards of medical practice, procedures, and surgeries in destination country, in accordance with the Ministry of Health and the National Social Security guidelines for normal, usual & customary procedure and/or standard health sector practice.
- In Hospital confinement refers to any treatment that cannot be undergone under the Out of-Hospital services and is recommended by a recognized treating physician. Such confinement must be medically indicated by the treating Physician to diagnose or treat COVID-19 disease covered under this Policy.
- ICU/Severe: these cases need admission to ICU with intubation and respirator, and the average length of stay is 25 days.
- Step Down/Moderate Cases: these cases need admission to intensive care with isolation, but no intubation and no respirator. Usually it needs 14 days average length of stay.
- Ward/ Mild cases: if admitted to hospital, needs isolation with an average length of stay of 2 days for any new policies issued by the Insurance Company for the new Policyholder and/or Insured. The "medical expenses" benefits provided under our plan can be claimed if COVID-19 is suspected or detected. In this particular context, "experimental" treatments, meaning medically-prescribed treatments being tested by doctors to treat this disease, will of course be covered as no cure has yet been found.

The cover is granted:

- if the person got infected by corona virus during his stay at the stated country, after presenting a positive PCR result.
- if the destination airport requires a mandatory PCR on arrival, then the person should present a negative PCR in order to be covered. If the PCR test is not mandatory, 72 hours waiting period is required.

• **Arrangement and payment of emergency medical evacuation**

The servicing company will arrange for the air and/or surface transportation, communication and all usual and customary ancillary services incurred in moving and transporting the Insured when in a Covered Medical Condition to the nearest hospital where appropriate medical care is available.

The servicing company through its medical team reserves the right, to determine the location to which the Insured will be evacuated and the means or method by which such evacuation or repatriation will be carried out. In making such arrangements, the servicing company may consider all relevant circumstances including, but not limited to the Insured's medical condition, the degree of urgency, the Insured's fitness to travel, airport availability, weather conditions and travel distance in determining whether transportation will be provided by private medically equipped aircraft,
